

## Minutes for the ATD Meeting

April 21, 2014

The Achieving the Dream Core Team met Monday, April 21, 2014, at 10:30 a.m. in Room 124 of the Logistics Center. Those present were Kim Lee, Regina Watts, Lisa DeJesus, Mary Richardson, Joy Knighton, Angela Davis, Debra Jones, Don Laye, Emmett Griswold, Shirley Armstrong, Michelle Lily-Williams, Beth Brown, and Troycia Webb.

Michelle Lily-Williams welcomed everyone to the meeting with Easter greetings. The first topic was progress on the Evaluation Reports. Jones said her draft of Priority Two will be ready by April 25. DeJesus will focus on Priority One and Student Engagement. Laye will take care of Faculty Engagement. Areas to be considered in the report are contributors, progress report, Principle Assessment Survey results, student success data trends, and goals. All are supposed to label the sections they are covering and submit to Lily-Williams and Armstrong.

Any AtD updates should be shared with Wendy Howell for inclusion in the next newsletter. One suggestion was to advertise the AtD Core Team meetings and encourage others to attend. That strategy might be another way to improve faculty engagement.

Watts offered a Community Engagement Report on the Faith-Based Luncheon, GED scholarships, criminal background check changes, and the College and Career Performance Learning Center partnership. The Faculty Engagement Committee received 60 survey responses, made a PowerPoint presentation and conducted another survey at Staff Development with 73 participants. Watts and Laye said they would provide summaries for the next newsletter.

The next Core Team meeting was set for Monday, May 5. Prior to the meeting, everyone will be working on the Evaluation Reports.

Respectfully submitted,

Debra Jones
