

### Financial Documentation

Albany Technical College requires that International Students or their Sponsor provide a bank letter verifying that the minimum educational cost of attendance is available to finance the first year of education. All bank correspondence must be written on official bank stationery and certified or notarized by a bank official with the address and telephone number printed clearly. Financial documentation must be in English and issued within the last three months and funds must be stated in U.S. Currency. Sponsor must complete the **Form I-134 Affidavit of Support** and have it notarized.

The International Student or Sponsor should write a letter that accompanies the financial documentation. Suggested wording is as follows:

I, \_\_\_\_\_, do agree to support \_\_\_\_\_  
*(Your name and relationship to student)* *(Student's name)*

while they are a student at Albany Technical College.

I have attached copies of verification of support of \_\_\_\_\_. If you  
*(Student's name)*

need further information, you may contact me at \_\_\_\_\_.

Sincerely,

\_\_\_\_\_  
*(Your name)*
