

Testing Center Prohibited Items

Except for electronic medical devices, all electronic devices are prohibited from the testing center.

Prohibited items include:

- Any device capable of recording audio, photographic, or video content, or capable of viewing or playing back such content
- Unauthorized testing aids
- Calculators (unless for a prescribed accommodation)
- Test taker provided keyboard, computer, or laptop, unless there is a documented disabling condition that requires the use of a very specific device
- Cellular phones, tablets, pagers, smartphones, walkie-talkies, PDAs, or wireless communication devices
- Dictionaries (standard and/or bilingual), books, pamphlets, or other references materials
- Digital cameras
- Digital watches, smartwatches, or wristwatch cameras
- Flash /thumb drives or any other portable electronic device
- Food, beverages, or tobacco products
- Listening devices such as radios, media players (with or without headphones), or recorders
- Nonmedical electronic devices
- Paper of any kind (scratch paper must be provided and destroyed by the testing center administrator; test takers cannot use or discard their own scratch paper)
- Only use pencils provided by the testing center
- Slide rules, protractors, compasses, or rulers
- Weapons, firearms, or other items prohibited by law or testing center/campus safety and security policies
- No hats, caps, or head gear; items are prohibited in the testing center
- No children are allowed in the testing center and/or to be left unattended while testing is in progress.
