Albany Technical College is an equal opportunity employer and offers career and technical education programs for all regardless of race, color, creed, religion, sex, marital status, age, disability or national origin. For additional information regarding these services, your rights, grievance procedures, or the College's non-discrimination policies please contact Dorene Aquino, Title IX Coordinator. Her phone number is 229-430-6597 and her email address is [daquino@albanytech.edu](mailto:daquino@albanytech.edu). Her office is located in room 118 in the Carlton Construction Academy Building. ATC's Section 504 Coordinator is Regina Watts and her office is room 159. Her phone number is 229-430-2854 and her email address is [rwatts@albanytech.edu](mailto:rwatts@albanytech.edu). Both offices are located at Albany Technical College, 1701 South Slappey Blvd. Albany, Georgia 31701.

Dear Prospective Student,

Thank you for your interest in the Radiologic Technology Program at Albany Technical College. Attached you will find the Radiologic Technology application form and competitive admissions process.

The Radiologic Technology Program is a sequence of courses designed to deliver experiences to obtain competencies necessary to become a radiographer. The program is a full-time day program. Learning opportunities develop academic, technical, and professional knowledge and skills required for job acquisition, retention, and advancement. Didactic (classroom), as well as clinical instructions are utilized to develop necessary skills. Clinical experiences are provided by the 9 affiliates (hospitals, clinics, specialty/imaging centers, orthopedic centers, and other facilities) that have agreed to assist in the delivery of this program. The program's occupational courses are four semesters in length, starting only once a year in the Spring semester.

After successful completion of all program requirements, students will:

- Obtain an Associate of Applied Science Degree in Radiologic Technology.
- Are eligible to apply to sit for the national certification exam administered by the American Registry of Radiologic Technologists (ARRT).

The Joint Review Committee on Education in Radiologic Technology (JRCERT) accredits the program. The program adheres to the STANDARDS established by the JRCERT, available in the Accreditation Handbook, on the JRCERT website at <http://www.jrcert.org>, and on the Radiography website.

Students wishing to apply for admission to the Radiologic Technology Program must first be admitted to the college. A completed Radiologic Technology application and competitive admissions requirements must also be met by the deadline provided in the packet.

If you are pursuing completion of the Radiologic Technology Core requirements, please contact the program faculty to register you for courses. This will ensure you are on track for completing program requirements.

If you have any questions, please feel free to contact the Program Chair at 229-430-6049, or by email at [swatson@albanytech.edu](mailto:swatson@albanytech.edu). The Radiologic Technology Program is located in the Nathaniel Cross Building, HCT, Room 137.

Sincerely,

*S. LeAnn Watson*

S. LeAnn Watson, M.Ed. R.T. (R)(CT)(ARRT)  
Program Chair, Radiologic Technology

Associate of Applied Science in Radiologic Technology

**Deadline for completion of the application is July 31, 2025, Deadline of all competitive admission requirements is 5:00pm on October 31, 2025, for Spring 2026 admission.**

For admission into the Radiologic Technology program, requirements as outlined by the College must be met.

**General Admission Requirements to ATC:**

- Submit an ATC Admissions Application and application fee of \$25.
- Submit verification of Lawful Presence in the United States and GA Residency.
- Submit OFFICIAL transcripts for high school/GED and all colleges and/or technical colleges to the ATC Registrar's office.
  - Mail: Office of Admissions
    - Albany Technical College
    - 1704 South Slappey Blvd.
    - Albany, GA 31701
  - Email: [admissions@albanytech.edu](mailto:admissions@albanytech.edu)
- Submit acceptable Admissions Placement Exam scores for degree program.
- Apply for Financial Aid

**Acceptance into the college and placement into the Radiologic Technology Major Code does not guarantee selection into the Occupational Courses of the Radiologic Technology Program. The competitive admissions process is a separate process that must be completed to be considered for entry into the Spring cohort.**

**Competitive Admission Requirements into the Radiologic Technology Program:**

1. Completion of all core requirements by Fall Semester 2025:
  - a. ENGL 1101
  - b. MATH 1111
  - c. ALHS 1090
  - d. AREA II: PSYC 1101, SOCI 1101, OR ECON 1101
  - e. AREA IV: HUMN 1101, ARTS 1101, MUSC 1101
  - f. GENERAL ED: PSYC 1101; SOCI 1101; ECON 1101; SPCH 1101, OR MATH 1113
  - g. BIOL: 2113 AND 2113L (Must be within 5 years)
  - h. BIOL: 2114 AND 2114L (Must be within 5 years)

2.75 GPA or better is required. If a course is repeated, only the last grade attempt is used in the calculation. All courses must be completed with a C or better by the end of the Fall Semester.

2. Applicants must be 18 years of age.

3. TEAS Exam-minimum score of 50.
  - a. Testing information can be obtained at ATC Testing center @ 229-430-2709. Tests are scheduled by appointment only. There is a limit of two attempts in a 12-month period of time and test scores are valid for two year from the date of the examination. The two attempts must be a minimum of 30 days apart. Deadline for completion of TEAS exam is **July 31,2025.**
4. Complete the Radiologic Technology Application form attached and turn into the Radiologic Technology department any time before the deadline of **July 31,2025.** You will only be able to move forward with the program if this is completed.
5. After application to the Radiologic Technology Program has been submitted you will be formally invited to the **Mandatory New Student Orientation** that will be held on **August 11, 2025.**

### **Selection Process**

ATC uses an objective, quantitative process to score all eligible candidates for selection into the Radiologic Technology Program. Selection begins with students who submitted all requirements by the deadline. After deadline, selection is based on a rank-order calculation in which the student with the highest score is selected first, and remaining seats are filled according to rank-order.

### **Notification**

Letters & emails will be sent out on November 15, 2024, to notify students of their acceptance into the occupational courses of the program contingent on successful completion of Core Courses with required GPA by end of Fall Semester 2023. Once receipt of the letter, students are required to respond to acceptance within one week. If no response is received, the student will not be accepted and an alternate student will be notified of acceptance.

The number of available openings in the occupational courses varies based on the number of clinic slots in the program as a whole and may vary by semester. Program accreditation also sets a specific number of admission seats for the Radiologic Technology competitive admissions program.

Any student not admitted into the program, may re-apply for the following year.
